THE 2012/2013 ACADEMIC YEAR AT SCCC.**

SCHOLARSHIP AWARDS RANGE FROM \$250 TO \$2,000

1. Complete the three page application:

- Check off each scholarship for which you are applying.

- Complete the attached Scholarship Application Release Form.

2. Submit an Essay on the Following Topic:

- Maximum of 2 pages TYPED essay
- Please note some scholarships may require a different essay. Please see attached list of requirements. This is an important component of your application. If you have applied for a scholarship in a previous semester, you must submit a new essay. Content, grammar, and spelling are all components of a quality essay.

- a) Why do you feel you are deserving of this scholarship, and
b) What are your college goals and career goals?**

In your essay, please address specific requirements for each of the scholarships you have checked.

Example:

- Do you need to be 23 years of age or older?
- Active in campus activities?
- A member of the Psychology Club?
- Related to a firefighter or police officer?
- Specific challenges or accomplishments you have met or attained?

3. If the scholarship requires that you DEMONSTRATE FINANCIAL NEED:

- Remember that SCCC Scholarship criteria are different than the state and federal guidelines.
- If you have filed a current FAFSA with the Financial Aid Office, no further action is needed.
- If you have not filed a current FAFSA, and you are under 24

years of age, not married and do not have children, you must provide the most recent income tax returns for yourself and your parents. If you are 24 or older, you must provide only your income tax return.

- ENCLOSE ALL TAX RETURNS IN A SEALED ENVELOPE.
4. Provide **ONLY ONE** letter of recommendation in support of your candidacy unless otherwise noted under **Special Criteria**. Most students select a faculty member. Your letter of recommendation must be current and dated no earlier than the beginning of the spring 2012 semester.

 7. The Senior Vice President for Academic & Student Affairs will determine whether or not you are a student in “good standing” after your application has been submitted.
 8. Scholarship funds will be applied first to a student’s account and thereafter other assistance if present. Students with a positive balance will be eligible for a “pass through” of funds, however, if the terms and conditions of a particular scholarship prohibit a “pass through” then any unused scholarship funds will revert to the Foundation account from which the funds originated. Scholarship funds are provided to students who are qualified based on the specified criteria of the scholarship (for instance full time with a minimum GPA); if the student’s circumstances or situation change, the scholarship award may revert back to the Foundation account from which the funds originated.
