COMMUNITY COLLEGE

Start here, go anywhere!

AT A GLANCE

Academic Excellence

At SCCC, we have one of the highest graduation and transfer rates among the 19 community colleges in N.J. You receive a personalized and interactive education from experienced and caring faculty and staff. We provide you with a solid framework on which to build your college education.

Student-centered

You will not get lost in the crowd at SCCC. Our faculty and staff focus on student success and growth. Small classes and personal attention set us apart from other institutions. Career and individual advising will help you discover your interests and strengths.

Convenience & Technology

We offer a sense of community and familiarity for students who choose

to attend college close to home. Classes are offered during the day and in the evening. Online and hybrid classes are also available to fit busy or changing schedules. We are committed to providing the latest in technology to our students to help them advance and stay ahead. 📶

Amazing Faculty

Our full-time and adjunct faculty are dedicated to helping you succeed. Their guidance and support are instrumental in achieving your goals.

Scholarships & Financial Aid

The SCCC Foundation offers hundreds of scholarships each year ranging from \$200-\$2000. New Jersey students who graduate in the top 15% of their high school class may receive a full tuition scholarship through NJ STARS. Students are encouraged to apply for financial aid now.

Internships & Service Learning

SCCC encourages learning in and out of the classroom. We offer internships that provide students the opportunity to gain experience in their chosen field. Many of our classes offer a service learning component that allows students to apply classroom learning to “real world” situations.

Transfer Anywhere

We prepare you to transfer to colleges or universities in New Jersey or across the nation. More than 70% of our graduates continue their education. SCCC graduates with A.A. or A.S. degrees can transfer seamlessly with junior status.

College & University Partnerships

SCCC partners with N.J. colleges and universities to offer bachelor’s, graduate and other programs on campus.

Career Readiness

SCCC offers many degree and certificate programs that set you on your career path. With an emphasis on strong academics and technical skills, these programs will give you the training needed to begin a new career.

SCCC opens the Horton Pantry

SCCC’s commitment to students continues with the grand opening of the Horton Pantry on campus. The food pantry began as an idea from the College’s Strategic Enrollment Group. Students in need of food for their family can stop in and get enough food to feed a family of four for several days.

“If students do not have reliable food in a household, our ability to be able to keep them in college is diminished.”
SCCC President, Dr. Jon Connolly

COLLEGE LIFE

College is more than just classes. At SCCC, we foster an atmosphere that allows students to grow and learn while forming strong bonds. Enjoy engaging clubs, athletics, theater performances, fine arts programs, a campus radio station and guest lectures. Our Student Center provides a place for students to gather and socialize, creating a space for food, fun, and study.

Athletics

Skylanders spirit is alive all year long, either on the field or as a fan! As members of the National Junior College Athletic Association and the Garden State Athletic Conference we offer:

- Women's Basketball
- Men's Basketball
- Women's Soccer
- Men's Soccer
- Softball
- Baseball
- Men's Lacrosse (coming Spring 2019)

Activities & Clubs

We believe that co-curricular learning supports student success. Academic, service, and professional organizations connect students to their chosen career with social and volunteer opportunities. Become a member of an academic honor society, join one of the many clubs, or be a part of student governance. Many opportunities are available for students to organize, lead, or participate in clubs and activities.

Cultural Events

SCCC offers cultural programming each semester including: film festivals, lectures, theatrical performances, art receptions, trips and more.

Fitness Center

A new 3000 sq. ft. Fitness Center opened provides a great space for students to stay active and socialize.

Finding time to work out in the new Fitness Center

Students are proud of their Leadership Award

"The time I spent at SCCC enabled me to graduate debt-free and in only two years. I would not have been able to do this if I had not earned my associate degree from SCCC prior to transferring. I am very grateful to SCCC."
Tyler Freire,
SCCC Graduate, 2015
Reformation Bible
College Graduate, 2017

Leadership Opportunities

Enhance your resume through participation in leadership workshops scheduled during the year.

Student Government

An active Student Government Association (SGA) plans social events, organizes community service projects and engages students in campus events.

Student Publications

"The College Hill" is SCCC's student newspaper. This publication is a vehicle for the exchange of ideas, opinions and perspectives about issues, events, and activities affecting SCCC students.

Veteran Resources

SCCC is committed to veterans who have served their country by assisting them in securing their benefits. With a dedicated Veterans Services Office, we offer student veterans a wide range of services including:

- Veterans Resource Center
- SALUTE honor society
- Student Veteran Emergency Relief program

ENGAGING CAMPUS LIFE

YOUR DEGREE OPTIONS

TRANSFER OPPORTUNITIES

Where can I transfer?
Anywhere you want!

Our students have transferred to more than 300 colleges and universities throughout the country and beyond.

“NJIT is most gratified for the quality of New Jersey community college students. Clearly, we embrace community college graduates who choose to enroll at NJIT. They have already demonstrated their motivation and academic skills at your college.”

NJIT President, Dr. Joel Bloom

TRANSFER AGREEMENTS

SCCC has established many Transfer Agreements for specific majors with many 4-year colleges and universities. Most agreements guarantee students who have completed an A.A. degree or an A.S. degree full junior-year status in various majors if they transfer to these institutions:

- Berkeley College
- Centenary College
- Fairleigh Dickinson University
- East Stroudsburg University
- Felician University
- John Jay College of Criminal Justice
- Montclair State University
- Marywood University
- New Jersey Institute of Technology
- Ramapo College
- Rutgers University
- Suny-Cobleskill
- William Paterson University

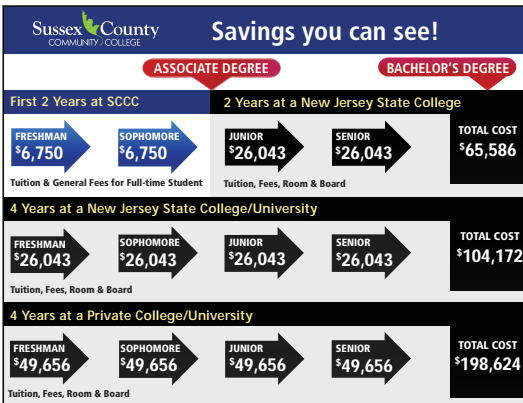

INVEST IN YOU!

Invest in your education at SCCC and save thousands of dollars off the cost of a four-year degree when you transfer.

- A full-time SCCC student will pay well below the cost of many four-year institutions. Completing your first two years here will leave you with more money to complete your bachelor's degree.
- More than 65% of our students receive financial aid from grants, scholarships and loans.

Compare the first two years at SCCC to the first two years at a four-year college.

ABOUT US

- Founded 1982
- Average Class Size: 18
- 55% Full-time Students
- 45% Part-time Students
