## **ACADEMIC FRESH START**

### **PURPOSE OF POLICY**

The Academic Fresh start program is designed for students who attended SCCC, compiled an unsuccessful academic record, and subsequently left the College for an extended period of time. As a result of their work experience, maturity, or new interests, these students may now wish to return to college to pursue a program of study towards a degree.

Academic Fresh Start allows students to restore their academic standing at SCCC by eliminating the previous academic credit from their Cumulative Grade Point Average (CGPA).
