WHAT TO EXPECT during a session

When you sign up for a session, you will speak with one of our writing coaches about your writing. There is no pressure to finish your essay in one or even a few sessions.

- Writing coaches are here to discuss, motivate, and support you through the writing process.
- Although we do not edit your assignment, we will provide tips for editing and proof reading. Being able to develop writing patterns and skills on your own is crucial.

WRITING COACHES

Our writing coaches are current students, at Sussex, dedicated to helping you through the writing process. Each writing coach will listen, offer advice, and help create a strategy for completing your assignment.

HOW TO PREPARE for a session

- Come with a notebook or a laptop, the assignment prompt, and an open mind. Bring whatever you have thus far in the writing process.
- We will help you develop a plan to complete your assignment by helping you with prewriting, drafting, and writing.
- **Each session is 30-45 minutes**, followed by a written record of the work done during the session to aid the next peer coach.

We encourage students from all different courses to visit the Writing Center.

Writing Center Mission Statement

The Writing Center provides one-on-one support to students who want help with their writing. Our goal is to have students feel confident in their ability to complete an assignment on their own when a session is finished by providing guidance to writers of all levels at Sussex.
