

2019-2020 Federal Direct Student Loan Request Form

Federal Direct Loans are a serious obligation, which must be repaid. Students enrolled at least half-time who have completed a Free Application for Federal Student Aid (FAFSA) for the current academic year may be eligible to receive Direct Student Loans.

Direct Student Loans are low-interest rate loans. They may be subsidized or unsubsidized. Students must qualify for subsidized loans by demonstrating financial need. The federal government pays interest on subsidized loans during in-school and other specified periods. The borrower is responsible for interest that accrues on unsubsidized loans.

Actual loan amount is based on individual eligibility, subject to changes in federal regulations. Figures represent gross amounts. Net amounts are applied to your tuition account.
