Explanation of Fees

Course Materials Fee: Covers some of the cost of materials provided to students during the semester. Any copies that the instructors must make for classroom use, tests and or exams.

General Fee: Supports SCCC's academic programs, library services, facilities, matters pertaining to student welfare, campus life and the collegiate environment.

Student Services Fee: Supports Student Government Association, which support clubs, organizations and committees chartered through the SGA. Any activities that are sponsored by the SGA are available to all students. (Not charged for Winter/Summer sessions)

Technology Fee: Covers all technology that the college offers to the students including technology, wireless connections, library and more.

Application Fee: Covers the processing of the application and for the maintenance of a permanent record, along with your ID# associated with your account.

Online Course Fee: Covers the extra time that the instructor must take to work with online students along with the technology that goes with it.

Lab Fees: Charged to the student in conjunction with courses listed in the course descriptions for use of any materials for labs, i.e.: computer, science, automotive, technology, etc.

Administrative Withdrawal Fee: Charged per course that a student is registered for but does not attend. Non-attendance is provided by the instructor.

Graduation Fee: Covers the paperwork involved in preparing for your graduation from SCCC. This includes preparation for the program, the ceremony and the diploma.

Late Payment Fee: Incurred by a student who does not pay in full or have financial aid in place on time, or has not started and/ kept up with an 'official' payment plan.

Returned Check Fee: A check returned to the college for insufficient funds.

Transcript Fee (First one free): Covers the paperwork and the cost of sending the transcript.
