PURPOSE OF POLICY

The purpose of this policy is to ensure that all agents of Sussex County Community College (“College”) and its employees adhere to fair employment practices.

GENERAL STATEMENT OF EQUAL EMPLOYMENT OPPORTUNITY

The College is committed to having an inclusive campus community where all members are treated with dignity and respect. Providing “equal employment opportunity” is one of the most important personnel policies of the College. As an Equal Opportunity Employer, the College does not discriminate in its hiring or employment practices on the basis of gender/gender-identity, sex, race or ethnicity, color, national origin, religion, age, disability, veteran’s status, genetic information, family or marital status, sexual orientation, or any other protected class.

The College’s employment practices are in accordance with Title VII of the Civil Rights Act, The Age Discrimination in Employment Act, The Americans with Disabilities Act, The Equal Pay Act, Title II of the Genetic Information Nondiscrimination Act, or any other local, state, or federal law protecting individuals from employment discrimination.

Furthermore, the College shall not discriminate on the basis of the protected class listed above in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other College-administered programs.

It is the College’s fundamental policy to provide equal opportunity in all areas of employment practice. This policy extends to recruitment and hiring, working conditions, pay and benefits, professional development opportunities, performance review, promotion, and all other terms and conditions of employment.
