301.31 Academic Fresh Start

PURPOSE OF THE POLICY

The Academic Fresh start program is designed for students who attended SCCC, compiled an unsuccessful academic record, and subsequently left the College for an extended period of time. As a result of their work experience, maturity, or new interests, these students may now wish to return to college to pursue a program of study towards a degree.

Academic Fresh Start allows students to restore their academic standing at SCCC by eliminating the previous academic credit from their Cumulative Grade Point Average (CGPA).
