301.95 Timeline to Complete a Discontinued Academic Program

PURPOSE OF THE POLICY

The purpose of this policy is to provide students an opportunity to complete their program and degree/certificate requirements when an academic program is discontinued.

GENERAL STATEMENT OF TIMELINE TO COMPLETE A DISCONTINUED ACADEMIC PROGRAM

Programs are typically discontinued when there is low program enrollment, low market demand, insufficient program graduates, high program costs or other unforeseen reasons. Students declared in a discontinued academic program will be given up to three (3) years to complete the core courses and up to five (5) years to complete all degree/certificate requirements. No new admissions or re-admissions will be permitted once a program is discontinued.
