Add to your resume!

April, 2020

Dear Prospective Skylander Student Ambassador,

Thank you for your interest in Sussex County Community College's Student Ambassador Program for the Fall 2020 semester. While this is a very competitive application process; the friends, memories, and leadership skills you will gain make this process well worth it! Campus Life and SCCC thank you in advance for your commitment.

As much as Campus Life would LOVE to have you all serve as a Skylander Student Ambassador, the program is limited in the number of students we are able to select, and thus the selection process is quite rigorous. Skylander Student Ambassadors are called on to assist with various activities, recruitment and public relations events, and by giving campus tours to prospective students and their families. Skylander Student Ambassadors have the opportunity to work with Staff and Faculty in all departments throughout the college, and gain valuable skills along the way.

In addition to assisting as an SCCC representative in the community, you will also have the opportunity to spend the semester working with Campus Life and the Student Government Association in planning and executing campus events and activities. Highlights for the Fall 2020 semester include the **New Student Orientation, Welcome Week, Screen on the Green, & Monte Carlo Night!**

If you are selected to serve as a Skylander Student Ambassador, you will gain valuable leadership skills that will serve you once you graduate from SCCC and either transfer to a four-year school or enter the workforce. Campus Life has high expectations for Skylander Student Ambassadors and that means whether you're running the popcorn machine at an Open Mic or presenting to our Board of Trustees, we expect you to conduct yourself professionally, while still having a great time. We do expect you to have stellar time management skills (but we understand that this is a learned skill and are willing to help you develop yours); the ability to speak confidently in front of a group (but we fully appreciate that this is also a learned skill and will provide ample opportunity to practice); and a willingness to put yourself out there as a top student leader.

Being a SCCC Skylander Student Ambassador is a job, just like any other job, but it's also FUN! Ambassadors are required to work a minimum of 4 or 5 hours per week throughout the semester, completing a minimum of 40, 60, or 80 hours by the end of the Spring 2020 semester. As you are considering becoming an Ambassador, think about your schedule and other obligations and take the time to consider which option works best for you. Each Ambassador will receive a work grant to be applied

during the semester of service; an \$840.00 work grant for a 40-hour Ambassador, a \$1,260.00 work grant for a 60-hour Ambassador or a \$1,680.00 work grant for an 80-hour Ambassador.

If being a Skylander Student Ambassador is the right fit for you, WE CAN'T WAIT TO HEAR FROM YOU! Simply follow these steps:

1. Complete the attached application.
2. Obtain a written recommendation letter from a faculty or staff member. The letter of recommendation can be emailed to arude@sussex.edu. But must be received **NO LATER THAN MONDAY, MAY 11, 2020.**
3. Submit a typed essay (the topic is described on the application). Remember to put your best foot forward, check spelling, grammar, and punctuation!
4. **Submit your application along with the supplemental documents to Amy Rude at arude@sussex.edu NO LATER THAN MONDAY, MAY 4, 2020.**
5. Due to the COVID-19 situation, personal interviews will be scheduled in May either in person or via ZOOM. This is an opportunity to really stun Campus Life so bring your "A" game!

If you are currently receiving or are planning to apply for Financial Aid, it is critical that you contact the office of Financial Aid as soon as possible to ensure you will not affect your eligibility for that aid if you are selected as a Student Ambassador.

If you have any questions, feel free to contact me at arude@sussex.edu.

All the best,

Amy E. Rude
