The mission of the SCCC Foundation is to support and enhance the college's dedication to providing educational and cultural opportunities and services for the residents and communities of Sussex County and beyond. It is only through donations and support that the Foundation will meet these goals.

Thank you for making a difference in the lives of students attending SCCC! 2021 is a year of transition for all of us. Some of us are feeling “zoomed out” and want the social interaction of a live, in-person event. At the same time, some of us have discovered the benefits of watching an event online, wherever and whenever we like!

In 2020, due to the global COVID-19 pandemic, the SCCC Foundation held a virtual “Funding Their Future” event. We received so much feedback about how everyone enjoyed hearing from our student scholars, learning more about the College today, and even getting an online cooking lesson. We also reached a much wider audience as people could watch the event at their convenience since the event was recorded.

This year, we will bring together “the best of both worlds”, in-person and online. We hope that you will join us for the face-to-face event, if not, join us online as we kick-off our fundraising year with our premier event “Funding Their Future”.
