## Sussex Mission Statement

We transform lives by providing lifelong learning opportunities through high quality academic, career and enrichment programs in an accessible and supportive environment to ensure student success.

## Accreditation

In 2018, Sussex was reaffirmed for accreditation by the Commission on Higher Education of the Middle States Association of Colleges and Schools. Sussex is licensed by the State of NJ as an Article I community college.

This handbook contains information we hope will be helpful to you. The front of this handbook presents a listing of activities, events and trips offered from Campus Life, followed by a calendar which you can use for scheduling purposes. The back of the book contains policies, procedures and general campus information.

As the College continues to grow and serve students in new and better ways, each student must make efforts to remain updated on information related to their education. All efforts will be made to keep students informed by email, notices, newsletters and web posts. If you are concerned about a particular policy, please contact our offices, or an advisor, to be certain of the most current policy or procedure. It is the responsibility of the student to stay informed.

# The power of a DEGREE

## Complete your associate degree and give yourself the advantage!

Starting college at Sussex and graduating with your associate degree before transferring to a four-year college will give you the Degree Advantage. You'll save tuition and graduate with little or no debt, be eligible for financial aid, scholarships and benefit from personalized advising toward your career.

## Why Degree Completion is Important:

- Students will hold a recognized higher education degree or certificate.
- Students will be prepared! People change jobs up to 10 times in their working lives—and when you have a college degree, you have an advantage.

- Future labor market will require more college graduates, economists predict.
- Completion shows future employers or college admissions officials that students are serious about their marketability, education and future.
- Many successful people credit their associate degree as the foundation of their career achievement and the turning point in their lives.

# COLLEGE POLICIES AND PROCEDURES

---

## TITLE IX AND SECTION 504 COMPLIANCE

---

Section 504 and Title IX Continuous Notice of Non-Discrimination: Sussex County Community College does not discriminate in admissions or access to, or treatment or employment on the basis of race, color, national origin, sex, disability, or age in its programs and activities.

Inquiries regarding Title IX compliance may be directed to Elizabeth Muller, Director of Human Resources, at 973-300-2338, by email at [emuller@sussex.edu](mailto:emuller@sussex.edu), or by mail at Sussex County Community College, One College Hill Road, Newton NJ 07860.

---

## ACADEMIC INTEGRITY

---

Students are required to perform all of the work specified by the faculty and are responsible for the content and integrity of all academic work submitted, such as papers, reports and examinations.

Examples of violations of the “Rule of Academic Integrity” include a student who:

- Knowingly represent the work of others as his or her own.
- Uses or obtains unauthorized assistance in any academic work. (See Cheating and Plagiarism.)
- Receives or gives assistance to another

student during an academic test

- Possesses, buys, sells or uses material in a matter not authorized by the instructor
- Acts as a substitute for another person during an academic test
- Attempts to influence or change one’s academic record inappropriately

---

## ACADEMIC PROGRESS POLICY

---

**1.** The purpose of this policy is to establish standards of satisfactory academic progress; to establish procedures for identifying students who are not making satisfactory academic progress; and to encourage and work with such students to assist them in taking appropriate action to improve their academic performance and plan for completion.

**2.** For purposes of this policy, a student is not making satisfactory academic progress if he/she is placed on:

- Academic Warning
- Academic Probation
- Academic Probation 2
- Academic Suspension

These Academic Status levels will be imposed on a student who fails to maintain a semester Grade Point Average of at least 2.0 in accordance with the chart.

### Student Appeals & Reinstatement

#### Student Appeals

**1.** A student placed on any level of Academic Progress, may appeal that action to the Academic Review Committee.

<b>Academic Performance</b>	<b>Academic Status Level</b>	<b>Academic Consequence**</b>
Cumulative GPA below 2.0 after completion of 6 credits	Academic Warning	Limited to no more than 16 credits
Semester GPA below 2.0 after 2 consecutive semesters*	Academic Probation	Limited to no more than 12-13 credits
Semester GPA below 2.0 after 3 consecutive semesters*	Academic Probation 2	Limited to no more than 7 credits
Semester GPA below 2.0 after 4 consecutive semesters*	Academic Suspension	Suspended from taking classes for 1 semester

\* Consecutive, as used above, is defined as a student's consecutive semesters of enrollment

\*\* Students who reach any level of "academic consequence," as defined above, shall be subject to the credit limits and procedures to improve academic performance.

## **Return/Reinstatement**

**1.** After one semester on suspension, a student may request reinstatement to the college. A student must file a request for reinstatement in person with a designated Advisor/Counselor. The request for reinstatement will be reviewed by the Academic Review Committee. The student will return on a probationary status and, if dismissed the second time, will not be eligible to register for courses for one year.

**2.** A student who returns after a break of 4 semesters (fall/spring) or greater will have their prior status of academic probation dismissed. A student who returns after a break of less than four semesters (fall/spring) will remain on the same level of academic probation.

## **Directed Self-Choice and Impact on Academic Status**

Sussex has embraced a practice of directed self-choice whereby students are encouraged, through guided conversations with an advisor, to best determine their readiness for college level course work. Students should be aware that developmental courses exist and are available to help strengthen skills and encourage academic success. Students

who find themselves struggling in core level college courses may wish to consider these as an option to build the requisite mathematical and critical reading, thinking and writing skills that are necessary for success in all college level courses.

Policy updated December 2020. This policy differs from the Financial Aid Satisfactory Academic Progress (FASAP) policy.

## **ACADEMIC STANDING**

To be classified as a student in satisfactory academic standing, any student, whether full or part-time, matriculated or non-matriculated, must maintain a grade point average (GPA) of 2.0 or more. Any student who fails to achieve the minimum grade point average stated above shall be placed on some level of academic warning / probation as per the Academic Progress Policy. An independent calculation regarding probation is made for Financial Aid purposes. Students who receive Financial Aid must achieve Satisfactory Academic Progress (SAP) as communicated by the Financial Aid Office. Please see the section on "Satisfactory Academic Progress."

### **Student Accessibility Services (SAS):**

Students who require academic or facilities accommodations to fulfill their higher education goals must make an appointment for intake with the Student

Accessibilities Advisor by calling 973-300-2153. It is the student's responsibility to provide current and comprehensive documentation to support such accommodations.

Requests for scribe (note taker) or sign language interpreting services must be made six weeks prior to the start of each semester to ensure that needed personnel can be scheduled to provide such services by the first week of the semester.

Information pertaining to an individual's disabilities is considered strictly confidential. For this reason, students interested in seeking accommodations must be aware that it is their responsibility to inform their faculty of their accommodation needs by providing their accommodations memo drafted by the Student Accessibilities Advisor at the time of intake. The Student Accessibilities Advisor's role is to mediate when necessary, between the faculty or staff member and the student only after disclosure of a disability has been made by the student to that faculty or staff member.

To address issues or concerns over not receiving requested accommodations, a student should refer to and follow the Sussex ADA Grievance Procedure below. The purpose of this procedure is to provide an internal mechanism for the prompt and equitable resolution of discrimination issues and complaints. Complaints that cannot be mutually resolved over the telephone by calling the Accessibilities Coordinator/Student Accessibilities Advisor at 973-300-2153 must be made in writing and submitted to the Accessibilities Coordinator/Advisor, One College Hill, Newton NJ 07860. Contact [pcavanagh@sussex.edu](mailto:pcavanagh@sussex.edu) for more information.

**a.** In the event of a dispute regarding compliance with applicable laws, College

policy, or academic adjustments, the student or faculty member initiating the process shall provide a written statement to the Accessibilities Coordinator/Advisor the department chair, and any faculty member or student involved within ten (10) working days of the incident or circumstance.

**b.** The Student Accessibilities Advisor will follow-up by investigating the facts and discussing the problem with all parties involved. Information collected will include: date and time complaint was received, complainant's name and address, reason for the complaint, parties involved, facilities involved and what the grievant believes to be an acceptable remedy. If a mutually agreeable solution cannot be attained following this investigation within five (5) working days, the grievant will be given a copy of the organization's ADA Plan and the Accessibilities Coordinator/Advisor will call a special meeting of the ADA Committee.

**c.** The ADA Committee will meet to review, evaluate and resolve the complaint and will respond in writing within ten (10) working days. The ADA Committee has the authority to mediate an appropriate course of action in a way that is mutually acceptable to the organization and grievant within limits established by Sussex County Community College. They may issue a resolution to the grieving party that may include a formal apology, a change in the language of a brochure or similar action that does not create an unreasonable hardship.

**d.** If the grievant does not accept the Committee's resolution, for any complaint related to classroom-based or non classroom-based matters, the grievant may appeal to the Senior Vice President of Academic and Student Affairs (SVPASA) in writing within ten (10) working days of receipt of the written decision of the ADA

Committee. The SVPASA will review the documentation and respond to the grievant within ten (10) working days. The decision of the SVPASA is final.

## ADD/DROP COURSES

---

Courses may be added only through the first five days of the fall and spring semesters and dropped through the first ten days of the fall and spring semesters, or equivalent time for a summer, short term, and winter term (see the Academic Calendar for the exact dates each semester). Students can add and drop courses through the student portal through the first five days of the fall and spring semesters. Students may complete an official Add/Drop form and submit this form to the Registrar's Office, email from their Sussex email account or withdraw by mail or fax with a request bearing an original signature. The postmark on such written notification will be used to determine percentage of refund, if any. Dropped courses are removed from the transcript and thus do not count towards enrollment, financial aid, deferrals, health insurance, and athletic eligibility.

Add/Drop days are pro-rated for sessions less than a full fall or spring semester.

Students who neglect to follow official procedures and who stop attending classes will be assigned the grade of "FN" at the end of the semester or term. To avoid unnecessary costs and penalties, students are advised to discuss all Add/Drop procedures with their advisor. Students may withdraw from a class during the published withdrawal period but withdrawal procedures must be strictly followed. No refunds are available past the posted refund policy deadline.

Students receiving financial aid must stop in the Financial Aid Office to determine if

the drop/withdrawal will have any effect on aid.

### **Athletes Attendance Regulation**

## **AUDITING CLASSES**

---

Students may choose to enroll in a course on an audit basis with the understanding that neither a grade nor credits can be assigned to the course(s) selected for audit. Audit status must be declared in the Registrar's Office by the tenth day of the semester (see the Academic Calendar for the exact dates each semester). Students attempting to audit a course shall have satisfied all prerequisite requirements for that course on a credit basis unless they obtain a prerequisite waiver from the appropriate division dean or department chair.

All standard tuition and fees are charged for the courses audited. Senior citizens registering for credit courses on an audit basis will be charged tuition according to New Jersey statutory law. Students may not change from credit to audit or from audit to credit status after the tenth day of the semester. Audited courses appear on the student's transcript with a grade of "AU" and do not satisfy prerequisite requirements or indicate mastery of the subject material.

Additionally, courses taken on an audit basis are not approved for veterans' training, financial aid, or tuition waivers (with the exception of Sussex employees electing to audit a class as part of the standard tuition waiver benefit). Forms requesting a change from credit to audit

status and vice versa are available in the Registrar's Office.

Faculty members in charge of the course being audited shall be responsible for determining the extent to which auditing students participate in class assignments and other activities.

All members of the College community are to report such incidents promptly to the Dean of Student Affairs at 973-300-2252, in person, or by completing an Incident Report.

## BURSAR'S OFFICE

---

**The Bursar encourages students to reach out by email to: [bursar@sussex.edu](mailto:bursar@sussex.edu).**

**Located:** Administration Bldg., B203

**Phone:** 973-300-2106

**Office Hours:**

Monday-Friday.....9:00 am–5:00 pm

The Bursar's Office is the department of student accounts. Students are encouraged to communicate with the Bursar's Office regarding billing, payments, Installment Payment Plans (IPP), and tuition account questions.

### Payment of Tuition

Tuition is due and payable before the semester/session begins. Payment, in full, may be made by cash (US Currency only), personal check, bank/cashier's check, money order, debit/credit cards.

### Cash Transactions

Payment can be made at the Bursar's Office in the Administration Building (B) on campus.

## Checks/Money Orders

Checks/money orders can be mailed directly to: ATTN: BURSAR'S OFFICE, B203, One College Hill Road, Newton, NJ 07860. For faster processing, please put the Student ID number on the face of the check/money order. Checks returned for 'Insufficient Funds' will be charged a service fee of \$50.

## Online Payments

Online payments are the quickest and most secure way to make payment. Go to the Student Portal to Make Payment Online and enter your confidential information as requested. Your bank account or credit/debit card information becomes a secure, encrypted bank-to-bank transaction. ACH payments returned due to 'Insufficient Funds' will be charged a service fee of \$50.

## Third-Party Payments

Third-Party Payments that are not considered a grant, loan or a scholarship will need to have a Third Party/Sponsor Letter on their formal letterhead, dated with a valid signature of authority stating the amount being paid to the student's tuition account and the date payment will be received by Sussex. If the third party/sponsor makes an over-payment, the funds will be returned to the third party/sponsor, not the student.

## Installment Payment Plan (IPP)

Pay as you go with a payment plan; whether the student is responsible for the entire balance (self-pay) or if financial aid does not cover the entire balance. Enroll online through the Student Portal or go to CASHNET, follow the IPP enrollment directions. The 1st payment is due upon enrollment. There is a \$35 non-refundable enrollment fee. Register early, then enroll in the IPP early for a longer period of lower monthly payments. The IPP is an interest-free plan, however, late charges may apply. The IPP is for U.S. students

only. Installment Payment Plans are only available for the fall and spring semesters.

## Auto-Pay

Auto-Pay can be set-up online through the Student Portal or contact your financial institution for their online bill pay option.

## E-REFUND

The Bursar's Office highly recommends all students enroll in eRefund for safe, secure and fast direct deposit of refunds. Refunds are issued for overpayments if the initial payment was processed by check. Excess financial aid is also refunded, mid semester after attendance has been verified. The Bursar's Office prefers not to mail paper check refunds as they take longer to be processed and received via the USPS, some checks are returned due to outdated student addresses, and not all checks are deposited in a timely manner. Log into your Cashnet account through the Sussex Portal to enroll in eRefund.

## FERPA Form

Each Sussex Department has their own departmental FERPA form. The Bursar's Office recommends the FERPA (Federal Education Rights and Privacy Act) be completed by any student 18 years of age or older and is not a self-paying adult. The student designates the parent/guardian who can discuss the tuition account with the Bursar's Office.

## Late Payment Policy

Delinquent tuition accounts and Installment Payment Plan accounts are subject to a Late Charge of \$50. Frequency of late charges is dependent on the status of the account's delinquency.

## Delinquent Tuition Accounts

When the College does not receive full payment of tuition in accordance with terms of the Sussex policies, the student relinquishes services from the College including: transcript requests, graduation,

registration, et al. The account will be put on hold. The student will be notified, in writing, of the delinquency and the Bursar's Office will reach out to the student to mitigate in accordance with the standards and practices of the College and the State of New Jersey. If a resolution is unable to be reached, the College will forward the delinquent account to an outside collection agency. Agency fees will be applied to the outstanding balance and the credit reporting bureaus will be notified.

## **CHEATING AND PLAGIARISM**

---

Cheating on examinations, through use of unauthorized aids or inappropriate resources, is forbidden. In addition, plagiarism, or the unattributed use of another's words or ideas, through either direct appropriation or paraphrase, is a serious breach of academic standards. Students have an obligation to exhibit honesty in carrying out their academic assignments.

Consequences for cheating and plagiarism include: written warnings and/or assignment of an "F" grade for the assignment/test, or for the course. If the student is found guilty in more than one case, he/she may be subject to disciplinary actions. (See also: Academic Integrity)

Cheating and plagiarism are violations of student conduct. If the Dean of Student Affairs, in consultation with the Senior Vice President of Academic & Student Affairs, determines that the matter is primarily related to academic integrity, including, but not limited to, cheating and plagiarism, the matter will be referred to the appropriate Academic Division Dean. The Dean, working with faculty, will determine the scope and process of the investigation and will determine outcomes. In unique cases, the Senior Vice President of Academic and Student Affairs and the Dean of Student Affairs can decide together if the matter, while primarily academic in nature, should nonetheless follow the formal Student

Conduct process, overseen by the Dean of Student Affairs for Judicial Affairs.

## **CLASS ATTENDANCE**

---

Students are expected to attend all classes and to adhere to the written requirements and consequences of nonattendance of each instructor's syllabus. Faculty members are required to keep attendance records. At Sussex, class attendance and academic achievement are recognized as being interrelated. Attendance in class is not used solely as a basis for grade determination; however, lectures, assignments, test and class participation missed or inadequately made up as a result of class absences will jeopardize the student's grade.

Attendance in an online course is constituted by the student participating in the class, and/or engaging in an academically-related activity. Academically-related activities in an online course include, but are not limited to:

- submitting an academic assignment;
- participating in an examination;
- participating in an online discussion about academic matters; and/or
- initiating contact with a faculty member to ask a question about the academic subject studied in the course.

Academically-related activities do not include activities where a student may be present, but not academically engaged, such as logging into an online class without active participation.

### **Attendance procedures are as follows:**

- 1.** Faculty are required to state their attendance requirements on their course syllabus.
- 2.** While it is the responsibility of the student to notify the instructor after the

student's first absence, the instructor may personally contact the student to discuss the effect of the absence and of possible subsequent absences, on the successful completion of the course absences, on the successful completion of the course.

**3.** If subsequent absences do occur, it is the student's responsibility to contact the instructor for guidance in completing missed work. The student's responsibility to contact the instructor for guidance in completing missed work.

## **COLLEGE IS A FREE SPEECH ZONE**

---

Safety and freedom of speech are connected. External behaviors that shut down or diminish the speech of others are not themselves free speech. Opinions that are offensive to others will be accepted as the opinion of free-thinking persons. However, bullying is a definable behavior characterized, in part, by insistent and persistent talking over other people and using words as an attack tool that shuts down other people’s ability to speak. This

classroom, college campus will vigorously maintain safety for everyone to preserve the first amendment with its duties and privileges.

Mocking, debasing, and deriding people based on race/ethnicity, sex, gender, sexual orientation, country of origin, physical ability, or other aspects of identity are all examples of potential “deep offense” to an audience. These are often the tools of attack speech that shut down the speech of others. Such examples can also be violations of civil rights protection laws.

### **HATE-FILLED SPEECH DESTROYS FREE SPEECH**

It is the responsibility of all staff and faculty members to defend the First Amendment and productive, helpful, and educational academic dialogue.

Should a student feel unsafe in this room, s/he is encouraged to discuss it with the staff or faculty member present and, if necessary, to report their concerns of the:

- Dean of Student Affairs,  
Athletics Building, Room E204
- Associate Vice President of Academic Affairs, Academic Affairs Office,  
Room B300
- Director of Human Resources,  
Student Center, Room D313
- Senior Vice President of Academic & Student Affairs, Academic Affairs Office, Room B301

## EMERGENCY COMMUNICATIONS

---

The College has established a Security Dispatch Center and installed phones in each class room with a "Security" speed dial that dials directly to the Center. There are also exterior phones located on "Blue Light" posts located in Lots 1, 5, and 9 that also connect directly to security.

To report an emergency or request assistance:

- Call 911, or press the red EMERGENCY button on any parking lot emergency phone to be automatically connected to the Security Dispatcher or call Security Dispatch at 973-300-2222.
- Students with safety and security concerns, not of immediate concern, should report them to the Director of Campus Safety, Security & Campus Operations at 973-300-2119.

### Emergency Automobile Service

The College does not assume the responsibility for the cost of any emergency service assistance. Payment for services rendered is the responsibility of the individual receiving the service, not the College. Sussex Campus Security will assist the student in contacting an emergency service provider.

### Emergency Closing/Delayed Openings

In the event of a delayed opening, a class that would have an hour or more of class time left will still meet. All classes held at extension sites (i.e. high schools) will be closed for evening Sussex classes if the extension site was closed during the day for snow or emergency. Online class activities will take place as scheduled even when the main campus is closed due to inclement weather. Students in online courses should understand that assignments should be submitted online at the scheduled time, even in instances where the main campus is closed due to inclement weather.

Campus delayed openings or closings, due to emergency situations or severe weather, are communicated in the following ways:

- Regroup Alert System
- sussex.edu website
- Listen to WNNJ (103.7 FM) or WSUS (102.3 FM)

### Regroup Alert System

Sussex utilizes a broadcast alerting service, Regroup, to communicate

information to students, faculty, staff, and other members of the campus community. Regroup sends mobile text alerts, an email and/or recorded voice messages to participating students, faculty, and staff.

All Regroup subscribers will receive emergency broadcast messages. All registered Sussex students should sign up for the Regroup Mass Notification to receive important College notifications and weather closings.

Regroup does not charge subscribers to receive SMS messages. Standard or other messaging charges apply depending upon your wireless carrier plan and subscription details.

### **Alertus Desktop**

In addition to Regroup, Sussex also uses Alertus Desktop which is used to override computer displays across the Sussex network with critical alert messages. In an emergency, computers are overridden with a full screen alert containing an Emergency Alert notification. The message will advise recipients of the emergency and instruct them on what procedures they should employ to safeguard themselves.

### **Emergency Evacuation/Fire Alarms/ Lockdowns**

All Sussex buildings are equipped with a PA emergency notification system and fire alarms. In the event of an emergency or fire/smoke, or any other situation which requires evacuation of the buildings, the PA system will notify the campus and fire alarms will sound.

At the sound of the PA system or fire alarm all faculty, staff and students are required to evacuate the building. A non-audible fire warning system has been installed to alert those who are deaf or hearing impaired that an emergency warning has been issued. The system features a flashing blue strobe light which signals the need to

evacuate the building.

Security has also established emergency rescue areas for those who need assistance exiting the building. If an emergency on the Sussex campus requires the use of evacuation procedures, it is necessary that the College have information about individuals who may need assistance during such an event. If a student has any condition that may endanger themselves or others in an emergency should call the Disabilities Assistance Coordinator, located in the Advising & Counseling Center, at 973-300-2153, to be sure that you are included in the security information. Those individuals should proceed to the emergency rescue areas located on their floor where emergency personnel will provide assistance. This information will be strictly confidential and will be made available only to those who need it during an emergency.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

---

Annually, Sussex County Community College informs students of the FERPA Act of 1974, as amended. This Act was designed to protect the privacy of educational records. FERPA affords students certain rights with respect to their educational records. These rights include:

- 1.** The right to inspect and review education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, that official shall advise the student of the correct official to whom the request should be addressed.
- 2.** The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. A student should submit a written request to the College official

responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment.

Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- 3.** The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as

an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College may disclose education records without consent to officials of another school in which a student seeks or intends to enroll. Sussex has designated certain information in the education records of its students as directory information for the purposes of FERPA. Directory information will be released at the discretion of the College and without the consent of the student unless the student informs the Office of the Registrar in writing within the first ten class days that any or all such information about him or her is not to be made public without his or her written consent.

The following is considered directory information at Sussex: name, address, major, sports participation, height and weight of the sports team members, dates of attendance, full or part-time enrollment status and degrees, honors and awards received. Information will be made available to the parents of a student only when written permission is received from the student.

**4.** The right to file a complaint with the U.S. Department of Education concerning alleged failures by Sussex County Community College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office, U.S.  
Department of Education

400 Maryland Avenue, SW,  
Washington, DC 20202-4605

Copies of a more detailed policy statement may be obtained at the Registrar's Office.

## FINANCIAL AID

---

**Located:** Administration Bldg., B212

**Phone:** 973-300-2225

**Office Hours:**

Monday-Friday.....9:00 am–5:00 pm

Sussex County Community College participates in all federal and New Jersey state aid programs. We encourage all students to apply for all forms of financial aid that may be available. The basic premise of financial aid is that the primary responsibility for meeting the cost of attending a post-secondary institution rests with the family. The primary purpose of student financial aid is to provide economic resources to students who have demonstrated financial need and who would otherwise be unable to pursue a post-secondary education.

Students and parents can view The College Finance Plan, as well as documents required to complete their files, at **my.sussex.edu**. Incomplete files will result in estimated financial aid being cancelled. Aid will be reinstated once the requested information is received and reviewed. All students and parents should visit the financial aid web page at **sussex.edu/financialaid** for information regarding applying for aid, additional outside scholarships, forms, financial literacy, student loans, etc.

**Expected Family Contribution (EFC)**

The information reported by a student and/or parents when applying for financial aid is used to calculate an Expected Family Contribution. The Expected

Family Contribution (EFC) is the number that is used to determine the student's eligibility for federal student financial aid. This number results from the financial information that is provided in the FAFSA application. Sussex's Financial Aid Office determines a student's cost of attendance, considering charges for tuition and fees, books, estimated costs for supplies, living and traveling expenses, and other miscellaneous education expenses. The student's demonstrated financial need is the difference between the student's cost of attendance and Expected Family Contribution (EFC). Students experiencing difficulty in meeting college expenses are welcome to meet with the Financial Aid Office.

The amount of financial aid a student receives is based on the number of credits in which (s)he enrolls. Federal Pell Grants will reflect the number of credits for which you are enrolled as of the census day (tenth day of the semester). Adding or removing credits may have an effect on the amount of aid awarded. Withdrawing from or dropping courses within a semester may have a negative effect on a student's eligibility for financial aid. Students are encouraged to come to the Financial Aid Office for advisement before withdrawing from courses.

Students must file the Free Application for Federal Student Aid (FAFSA) at **[www.studentaid.gov](http://www.studentaid.gov)** early to allow ample time for processing. Both student and parent (if applicable) must create a separate FSA User ID and Password at **[www.studentaid.gov](http://www.studentaid.gov)** to sign the FAFSA. We recommend that continuing/returning students complete the FAFSA each year after October 1st. All returning students who are NJ residents must complete the FAFSA no later than April 15th in order to qualify for maximum benefits from NJ state aid programs. Failing to file timely may result in having to prepay

your bill or to enroll in the College Payment Plan in order to start the semester. A FAFSA must be submitted every academic year in order to receive financial assistance.

### **Book Voucher Policy**

In accordance with Federal Regulations, students with eligible financial aid can receive an advance of the anticipated refund to accommodate their needs for books and necessary supplies. Eligible Financial Aid credit balances will appear in your account once logged into eCampus Bookstore. You will need to show your valid Student ID card.

Students may opt out of a book voucher. Once funds are posted to the student's account, any monies in excess of tuition and fees that are eligible for refund will be sent to the student. We recommend that students sign up for eRefund with the Bursar's Office.

**File Completion:** Your financial aid must be completed before you can use aid for book purchases through eCampus.

Contact the Bursar's Office at 973-300-2106 or **[bursar@sussex.edu](mailto:bursar@sussex.edu)** with any questions.

### **Financial Aid Satisfactory Academic Progress (SAP)**

In compliance with Final Program Integrity Rules published October 29, 2010, Sussex has adopted a policy concerning the Satisfactory Academic Progress (SAP) requirements for financial aid recipients. Federal and State regulations impose limits on how long a student may continue to receive Federal and State aid.

A SAP review will be done at the end of each semester/payment period. Summer terms are considered a semester/payment period; therefore, SAP will be evaluated at the end of the summer session as well, if the student enrolls and attends summer session(s). The evaluation period

## How to Keep Financial Aid Eligibility

What Happens	Your Financial Aid Status	What you need to do
If your GPA drops below a 2.0	Warning: You may continue to receive financial aid for one semester	Raise your GPA to a 2.0 or higher.
Or, if your overall completion rate is less than these criteria;  Credits    Completion Rate  0-12      50%  13-18    60%  19+      67%	Warning: You may continue to receive financial aid for one semester	Raise your completion rate per the chart to become eligible for financial aid.
After you have exhausted your semester of Warning, if your GPA remains below a 2.0 and/or your overall completion rate is less than the criteria stated above.	Removal of financial aid	You can appeal if you have mitigating circumstances. If your appeal is approved you will need to successfully complete the academic plan associated with your appeal.
If you attempt over 150% of your program of study (major)	Suspended: You are not eligible for financial aid	You can appeal if you have mitigating circumstances. If your appeal is approved you will need to successfully complete 100% of all classes and required to maintain an overall GPA of 2.0 or higher.
If you have completed your semester of probation and have not successfully completed the academic plan associated with your appeal.	You are not eligible for financial aid	You can regain eligibility after taking classes at own expense and meeting minimum requirements of 2.0 GPA and a completion rate in accordance with the chart within the 150% timeframe.

## Completion Rate Worksheet:

	Enter your hours	Sample
Total Credit Hours Earned	_____	25
Divided by	/	/
Total Credit Hours Attempted	_____	35
Equals	=	=
Completion Rate	_____	71.4%

will be based on attendance in all prior semester(s) and will include all classes attempted whether federal aid was received or not.

Each student who receives either federal or state assistance (including student/parent loans) must make satisfactory academic progress toward the attainment of his or her degree or certificate as a condition of receiving financial aid.

To be considered making satisfactory academic progress a student must have a 2.0 CGPA (Cumulative Grade Point Average), and complete a certain percentage of their credits (see chart). Students must keep within a maximum time frame which would be limited to no more than 150% of the published length of the program for undergraduate study. Please note that remedial coursework is counted in the cumulative GPA. This is why the cumulative GPA on a student's transcript may not match the cumulative GPA derived from the financial aid calculation.

Credits	Completion Rate
0-12	50%
13-18	60%
19 and greater	67%

### Remedial Coursework

Remedial coursework will be included in both the completion rate and the GPA calculation. Students may receive financial aid for developmental credits up to a maximum of 30 credit hours. ESOL courses do not count in this 30 credit hour limitation. Remedial coursework will not be counted towards maximum timeframe.

### Repeated Coursework

If a student receives an F the first time they take a course and subsequently passes the course with a D, the student may only receive financial aid once to improve their D grade.

### Repeated Coursework and Enrollment Status

Repeated courses may include any repetition of the course in a student's enrollment status for a term as long as the student has never passed the course. If the student passes the course, Sussex may include one repetition after passing the course. Any second or subsequent repetition of the passed course may not be included in the student's enrollment status for purposes of Federal and State aid programs.

### Transfer Credit

Sussex will count transfer credit hours that are accepted toward a student's educational program as both attempted and completed hours.

### Change of Major

Students can change their major twice without affecting their Maximum Time Frame. Students seeking a second degree or with double majors, are monitored like any other students under this policy. Sussex will count credits earned and attempted from a previous major towards a student's maximum time frame. If or when the student exceeds the maximum time frame allowed for their respective programs, students may appeal if they have mitigating circumstances. All transfer hours accepted by Sussex will be included when determining maximum time frame eligibility.

### The Financial Aid SAP Process

**Warning:** Students not making satisfactory academic progress after their first semester will be placed on a Warning status and notified accordingly. During a period of Warning, the student will continue to receive Title IV and State aid automatically for one semester.

**No Aid Status (Suspension):** If, after the Warning period, the student does not meet SAP standards, the student is placed on

Financial Aid No Aid Status (Suspension) but has the right to appeal if there were extenuating circumstances. Sussex may choose to reinstate federal and state eligibility based on the appeal.

**The Appeals Process:** The circumstances under which a student would be permitted to submit an appeal are: death of a relative, injury or illness of the student, or other special circumstances. A student will be required to submit (as part of the appeal process), the completed appeal form, a signed letter indicating why the student failed to make SAP, and what has changed in the student's situation that would allow the student to demonstrate satisfactory academic progress at the next evaluation. In addition, the student should submit any documentation available to support their extenuating circumstance such as a letter from their doctor, hospital bills, police reports, etc.

**NOTE:** Special provisions as sanctioned by the Federal Department of Education have been provided due to the disruptions of campus operations or illness as a result of COVID-19. Contact the Financial Aid Office for further details.

An appeal may be approved only if the school has determined that the student will be able to meet SAP standards within the maximum time frame.

Subsequent appeal submissions require prior approval from the Director of Financial Aid. Subsequent appeals cannot be submitted for the same reason as the previous appeal.

**Financial Aid Probation:** Once the appeal is granted and an academic plan is created, the student is then placed on Financial Aid probation. A student on Financial Aid Probation may receive federal and state funds for one payment period. If after the one semester of Probation the

student still does not meet SAP standards, the Financial Aid Office will determine if the student met the terms of his/her academic plan. If the terms of the academic plan are met, the student will be eligible to continue on a Probation status for an additional semester and will again be re-evaluated at the end of the term. During this time the student will continue to receive their financial aid. If the terms of the Academic Plan are not met, the student will lose their financial aid eligibility until the minimum standards of Satisfactory Academic Progress are met.

**Academic Plan:** Part of the successful appeals process will be the development and acceptance of an Academic Plan. The Academic Plan is set up to help the student meet the standards for academic progress. At the end of the semester of probation, the Financial Aid Office will determine if the student is meeting the minimum standards for Satisfactory Academic Progress.

### **Regaining Financial Aid Eligibility**

- A student who has lost financial aid eligibility may regain eligibility after taking classes at his/her own expense (self-pay) and meeting minimum requirements of 2.0 GPA and a completion rate in accordance with the completion rate chart within the 150% time frame.
- It is the student's responsibility to notify the Financial Aid Office when these conditions have been met.
- All classes (including those taken at other institutions) will be taken into consideration for reinstatement purposes.
- Students who exhaust the 150% time frame and have used their one appeal cannot have financial aid reinstated at Sussex.

## Federal Return of Funds Policy

Students who withdraw from the College must do so in writing. Students who stop attending must immediately notify the Financial Aid Office. Financial aid will be prorated according to federal regulations. Refunds to federal aid programs will be accomplished in the following order:

1. Unsubsidized Federal Stafford Loan
2. Subsidized Federal Stafford Loan
3. Federal PLUS Loan
4. Federal Pell Grant
5. FSEOG
6. Other Title IV aid programs
7. Other federal sources of aid
8. Other state, private, or institutional aid
9. The student

NJ state aid will be removed if withdrawal occurs during the refund period or if the student withdraws from class(es) before state aid is finalized. All or part of NJ state aid may also be rescinded if students are reported at the end of the term as having stopped attending prior to disbursement of their state aid. If the student has been paid with federal funds to cover non-billed educational costs (i.e., transportation), and subsequently withdraws or stops attending, a repayment of federal funds may also be required. Students are encouraged to check the financial aid website for updates to the policy or call the Financial Aid Office for any specific regulation updates due to COVID-19.

## GRADE APPEALS

---

### Final Grade Appeals

Educational institutions are responsible for evaluating students by a grading system that is publicized to instructors and students. While each student is responsible for demonstrating his/her learning that resulted in his/her final grade, the course instructor is responsible for issuing each student's final course grade. A student who feels that the final grade he/she received in the course is unfair is entitled to appeal his/her final grade. Students are responsible for acting within the procedural time line. Any student pursuing a grade appeal must follow the procedure outlined below. Grade appeals not following this procedure will not be eligible for review.

### How to File a Final Grade Appeal:

A Final Grade Appeal Form must be used and is available by contacting the Advising and Counseling Center at **[advising@sussex.edu](mailto:advising@sussex.edu)**. Detailed instructions are attached to the Final Grade Appeal form. Any questions about the form or the grade appeal process should be directed to the Advising and Counseling Center.

### Student Responsibility:

The student must complete the "Final Grade Appeal Form" with a statement explaining the exact nature of the appeal within two weeks (10 business days) of the end of the semester. See the Academic Calendar located at **[sussex.edu/academics/academic-calendar](https://www.sussex.edu/academics/academic-calendar)** to see Calendar. The student must submit all supporting materials to the instructor

electronically, which includes a copy of the course syllabus and any documents needed to support the appeal. Additional documents can be requested anytime during this process.

## **See the Grade Appeal Quick Chart**

### **Appeal Step One:**

The instructor must read the appeal, review the appeal with the student and should respond electronically to the student within five business days of receipt as to whether the appeal has been granted or denied.

- If the appeal is granted, the instructor should send forward the Grade Change Form electronically to the appropriate dean for a signature.
- Whether the appeal is granted or denied, the instructor must fill out the appeal form and return it to the student. The course instructor must include on the appeal form, returned to the student, the name and email contact information of the next person in the appeal process and copy this identified person into the email with all support documents attached.
- The student will decide if they would like to pursue Appeal Step Two by emailing the appropriate person identified on the returned appeal form requesting a review.
- Criteria below for Appeal Step Two adjunct instructor (a) or full-time faculty (b).
- Students, who are unsure if their faculty member is an adjunct or full-time faculty member, please contact the Advisement and Counseling Center at [advising@sussex.edu](mailto:advising@sussex.edu).

### **Appeal Step Two (a):**

If the appeal is denied by an adjunct instructor, and the student decides to pursue the appeal beyond this level,

the student must contact the full-time Department Chairperson, Program Supervisor, Program Coordinator or Lead Faculty, identified by the course instructor and named on the form to hear the appeal and attempt to resolve the issue. If you are unsure if your faculty is an adjunct or full-time faculty member, please contact the Advisement and Counseling Center at [advising@sussex.edu](mailto:advising@sussex.edu).

- If the appeal is granted by the Department Chair, Program Supervisor, Program Coordinator or Lead Faculty then the Grade Change Form should be electronically sent to the appropriate Dean for a signature.
- If no solution is reached and the appeal is denied, the Department Chair, Program Supervisor, program Coordinator or Lead Faculty should fill out the appeal form and include the name and contact information of the appropriate dean. Sent this to the student electronically and copy the appropriate dean with all support documents attached.
- If the student decides to pursue the appeal, he/she will send email notification to the dean, identified on the returned appeal form, requesting a review.

OR

### **Appeal Step Two (b):**

If a full-time instructor denies the appeal, the appeal form should be forwarded electronically to the student and the appropriate dean by the full-time faculty. The faculty member will enter the name and contact information of the appropriate dean on the form and sent back to the student.

- If the student decides to pursue the appeal, the Dean will hear the appeal and will attempt to resolve the problem.

- The Dean will then inform the student as to whether the appeal was granted or denied.
  - If granted, the Dean will forward a Grade Change Form to the Registrar's Office.
  - If the appeal is denied, the Dean will include the name and email contact information for the next level of appeal on the returned appeal form to the student and copy the next contact on the email with all documents attached.
- The student will decide if they would like to pursue their appeal to Step Three by emailing the appropriate person identified on the returned appeal form.
  - Criteria below for Appeal Step Three adjunct instructor (a) or full-time faculty (b).
- Appeal Step Three Adjunct Faculty:**

If the appeal is denied by a Program Coordinator, Department Chairperson, Lead Faculty or Supervisor, and the

student decides to pursue the appeal, the denied appeal will be reviewed by the appropriate Division Dean. The Division Dean will inform the student of a decision. The Dean's decision is final. If the appeal is granted the Dean will forward a Grade Change Form to the Registrar's Office.

OR

### **Appeal Step Three Full-time Faculty:**

If the decision at Appeal Step Two, rendered by a Division Dean was denied, the appeal moves to the Associate Vice President of Academic Affairs (AVPAA), whose decision is final. The exception to this is if the AVPAA, acting as Dean in the Appeal Step Two, denies the appeal and the student decides to pursue the appeal, the denied appeal will be reviewed by the Senior Vice President of Academic and Student Affairs. Senior Vice President of Academic and Student Affairs decision is final. If the appeal is granted, the Senior Vice President of Academic and Student Affairs will forward a Grade Change Form to the Registrar's Office.

## **GRADING SYSTEM**

---

Letter grades are given to students and posted to each student's transcript at the end of each semester. A grade represents an instructor's evaluation of a student's academic performance in a course and is determined by examinations and other criteria established by the College and the individual instructor. All grades are recorded on the individual transcript and remain as such unless revised and/or removed by action following from the College's Student Appeal of Grades Policy. (See Appeal of Grades.)

Grades are posted on the [my.sussex.edu](http://my.sussex.edu) portal at the completion of each semester. Report cards are not mailed home.

### **The College Grading System: (see Grading Chart)**

Letter grades AI through FNI represent institutional credit. Institutional credits do not count in the grade point average nor do they fulfill graduation requirements.

Students who earn a grade of AI–CI in a developmental studies course are eligible to move to the next course in the sequence or to the next level.

### **Incomplete\*\***

An Incomplete "I" may be given, at the initiation of a student and at the discretion of the faculty, only to students who have completed at least 80% of the required coursework with a grade of "C" or better. No "I" grade may be given without the submission of the signed form. The completion date is determined by the instructor, but in no case may the date exceed February 15th for grades issued in fall and winter semesters or terms or September 30th for grades issued in spring and summer semesters. After the deadline, if the "I" has not been changed by the instructor, the original "I" will be recorded as an "F".

### **Satisfactory Academic Standing**

To be classified as a student in satisfactory academic standing, any student, whether full-time or part-time, matriculated or non-matriculated, must maintain a grade point average of 2.0 or above.

### **How to Calculate your Grade Point Average (GPA)**

The calculation of a grade point average is a simple mathematical process. Quality points, also known as "points", are divided by the student's attempted credits. The specific credits used for the calculation are known as "quality". The GPA does not round but is truncated at the hundredths decimal point. **(See Grading Chart)**

Students anticipating graduation **MUST** file a graduation application (whether or not you are planning on participating in the commencement ceremony) available at the Registrar's Office or on [sussex.edu/graduation](https://sussex.edu/graduation). Beginning in January 2022, there is no fee.

There are three graduation dates per year, January, May and August. Only one commencement ceremony is conducted and that is held in May. All students wishing to participate in the May commencement ceremony must apply by March 1st.

### Application Deadlines:

- January Graduation: Apply by December 1st

## GRADUATION/TRANSFER DISCLOSURE

---

Federal law requires that each institution of higher education report to its applicants and students the degree completion/transfer rate of the previously entering freshman classes. (A freshman class is defined as new, full-time degree or certificate students). The Graduation Rate for first-time, full-time students entering the fall 2015 semester was 33% and the Transfer Rate was 19%.

## GRIEVANCES

---

Students with a grievance that does NOT involve the appeal of a final grade or a complaint of sexual harassment are to use the steps indicated below to resolve their grievances (Students interested in appealing a final grade should see "Grade Appeals" found elsewhere in this Handbook.) If the grievance pertains to a faculty or staff member, students are strongly encouraged to talk to a counselor

in the Advising & Counseling Center.

**Step I:** At this level, a student is strongly encouraged to talk to his/her instructor and present the concern(s). It is important that the student clearly communicate his/her concerns directly so that the problem can be addressed at this step. Dissatisfied students may proceed with the grievance in Step II.

**Step II:** If resolution of the grievance cannot be reached in Step I based on the direction from a counselor, the grievance is presented to the appropriate College administrator, who will hear the student's grievance as well as talk to other parties who may be involved. Dissatisfied students may proceed with the grievance in Step III.

**Step III:** If resolution of the grievance cannot be reached in Step II, then the grievance is presented in writing to the Chief Academic Officer. The Chief Academic Officer will hear the student's grievance as well as talk to other parties who may be involved. The Chief Academic Officer's decision will be presented to the student and is considered final.

Sussex provides educational programs related to awareness and prevention of sexual assault. Annually, the Advising & Counseling Center provides workshops on prevention and the Office of Campus Life provides workshops on safety and health and wellness. A number of workshops and seminars, documentaries and film series, and survivor panels are held on campus in collaboration with Domestic Abuse and Sexual Assault Intervention Services (DASI) of Sussex County and with the Center for Prevention and Counseling of Newton NJ. Presentations for faculty and staff on sexual violence and trauma are scheduled. The Clothesline Project, a domestic violence awareness program, is held every April in the Student Center.

Campus Sexual Assault Victim's Bill of Rights Introduction: A college or university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must

be conceived for the purpose of furthering and protecting the rights of all members of the university community in achieving these ends.

The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault and non-consensual sexual contact, respect for the individual and human dignity are of paramount importance.

The State of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to insure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity.

### **Bill of Rights**

The following Rights shall be accorded to victims of sexual assault that occur:

- on the campus of any public or independent institution of higher education in the state of New Jersey
- where the victim or alleged perpetrator is a student at that institution and/or
- when the victim is a student involved in an off-campus sexual assault.

### **Human Dignity Rights**

- to be free from any suggestion that victims must report the crimes,
- to be assured of any other right guaranteed under this policy,
- to have any allegations of sexual assault treated seriously; the right to be treated with dignity.
- to be free from any suggestion that victims are responsible for the

commission of crimes against them,

- to be free from any pressure from campus personnel to,
- report crimes if the victim does not wish to do so,
- report crimes as lesser offenses than the victim perceives the crime to be,
- refrain from reporting crimes,
- refrain from reporting crimes to avoid unwanted personal publicity.

### **Rights to Resources On and Off Campus**

- to be notified of existing campus and community based medical, counseling, mental health and student services for victims of sexual assault whether or not the crime is formally reported to campus or civil authorities.
- to have access to campus counseling under the same terms and conditions as apply to other students in their institution seeking such counseling,
- to be informed of and assisted in exercising:
  - a) any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus and/or pregnancy.
  - b) any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases.

### **Campus Judicial Rights**

- to be afforded the same access to legal assistance as the accused.
- to be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused.
- to be notified of the outcome of the sexual assault disciplinary proceeding against the accused.

### **Legal Rights**

- to have any allegation of sexual assault

investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault is reported,

- to receive full and prompt cooperation and assistance of campus personnel in notifying the proper authorities,
- to full, prompt and victim-sensitive cooperation of campus personnel with regard to obtaining, securing and maintaining evidence, including a medical examination when it is necessary to preserve evidence of the assault.

### **Campus Intervention Rights**

- to require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of victims by their alleged assailant,
- to be notified of the options for and provided assistance in changing academic and living situations if such changes are reasonably available.

### **What To Do If You Are a Victim of Sexual Assault**

First, you should get to a place of safety. Next, get necessary medical treatment. A DASI Confidential Sexual Violence Advocate can be with you during medical and legal proceedings. Call 973-875-1211 for an advocate or to activate the Sussex County Sexual Assault Response Team (SART).

According to the **DASI.org** website, it is important that you:

- Do not change your clothing
- Do not bathe, shower or douche
- Do not urinate, if possible
- Do not drink, eat or smoke
- Place additional evidence (such as clothing or bedding) in a paper bag

### **Physical Examination and Medical Treatment**

A complete physical examination is very important. Victims of sexual assault may not be aware of external and internal injuries that may require treatment. Early medical attention is necessary to test for, and possibly prevent sexually transmitted diseases or infections. If left untreated, sexually transmitted infections/venereal diseases may result in serious health problems. Early medical attention is necessary to test for and receive treatment to prevent unwanted pregnancy.

Follow-up care is very important to ensure that injuries have healed properly and that sexually transmitted infections are treated appropriately. Tests for infections and pregnancy must be repeated.

### **Campus Crime Statistics**

For campus crime statistics, a copy of the Annual Security Report can be obtained from our website at: [sussex.edu/cleryact](http://sussex.edu/cleryact).

### **Evidence Collection**

A forensic kit is typically used within 5 days to collect evidence from the victim's body (the earlier the better). This evidence can be used in prosecuting the offender. The victim may have the forensic kit done anonymously and the evidence can be held for 90 days. There is no cost associated with the forensic evidence collection and initial treatment.

**For further information, please visit the  
Library's webpage.**

The Library is the primary resource for  
research, supporting the educational  
programs and College curriculum offered  
at Sussex. The Library acquires, organizes,  
and maintains a variety of print and non-  
print materials for individual and classroom  
use. Librarians are professionally trained,  
teaching-oriented individuals committed  
to helping students achieve independence  
and mastery in using library resources and  
information technology. The Library strives  
to provide a peaceful, supportive space for  
teaching, learning, and research.

In the Library, we have a collection of  
approximately 38,000 items (including  
videos, DVDs, and periodicals), a  
number of workstations and laptops that  
provide access to subscription electronic  
databases (most of which are also  
available remotely), and wireless service.  
The online catalog can be accessed  
through the webpage while in the Library,  
from home or on a smart device. If the  
College Library does not have or provide

access to what you need, the resources of other local and state libraries are available through inter-library loan. A valid Student ID card is necessary for most Library services.

### **Inter-library Loan**

Requests for books or articles not available at Sussex can be made online via the College Library's website. Students are encouraged to start their research early, as it may take up to two weeks to receive some materials.

The Library does not purchase current copies of texts. Faculty may place materials on academic reserve to assure availability for students. If the title is not on reserve, please contact your professor or the department chair. Reserves may be limited to use within the library or may be allowed to circulate for a short period of time (eg. 2 hours, overnight, one week). ). There is also a collection of used, donated textbooks that are available for semester loan.

## SERVICE LEARNING

---

Service Learning is a teaching and learning strategy that links classroom learning to service at Sussex and/or in the community. Service Learning is an opportunity to get engaged with the College and/or community, meet the needs of Sussex and/or community constituents by providing needed services and apply what you are learning in the classroom to real life situations. Students who have participated in Service Learning activities report a higher level of interest in their coursework, better retention of the information they are learning – and rewarding service experiences. The skills and experience students gain also look great on a resume, or included in their application for transfer to a four-year college or university.

A number of faculty members across academic programs at Sussex teach courses that include service learning opportunities for students. Be sure to look for Service Learning courses on instructors' course syllabi.

For more information, contact the Service Learning Faculty Coordinator at 973-300-2196 or [msmolka@sussex.edu](mailto:msmolka@sussex.edu).

## SEXUAL HARASSMENT & TITLE IX

---

Sexual harassment is illegal. Both state and federal law prohibit harassment of any employee, student, agent or member of the College community by any executive, supervisor, employee, student or visitor on the basis of sex or gender. Sexual harassment is defined under federal law as: “unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.” 29CFR Sec. 1604.11 (a)

Any employee or student who sexually harasses another employee, student, agent, or member of the College community will be subject to disciplinary action, up to and including termination of employment, consistent with terms of collective bargaining agreements, as applicable, or expulsion of the student.

The purpose of this policy is to ensure a positive work and learning environment for all employees and students free from the effects of sexual harassment which may produce a hostile, unproductive work environment.

### **Consensual Relationships**

This policy also prohibits consensual amorous relationships or physically intimate relationships between a faculty or staff member and a student whenever the faculty or staff member is in a position of professional or supervisory responsibility with respect to the student. This includes, but is not limited to, faculty and student, staff and student, coach and player and supervisor and student worker.

## **TITLE IX**

### **What is Title IX**

Title IX of the Education Amendments of 1972 is a federal civil rights law that prohibits discrimination based on sex in education programs. It reads:

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

–Legal Citation: Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX)

### **Prohibited Sexual Misconduct at Sussex County Community College includes:**

- Sexual Harassment
- Gender-Based Harassment
- Sexual Intimidation
- Sexual Exploitation
- Sexual Assault and Non-Consensual
- Sexual Contact
- Domestic Violence
- Dating Violence

- Stalking
- Retaliation

While often thought of as a law that applies to athletics programs, Title IX is much broader than athletics and applies to many programs at Sussex County Community College. Compliance with the law is everyone's responsibility at Sussex County Community College. For information on how to contact staff members who have primary responsibility for Title IX compliance, [click here](#).

### **About Reporting an Incident**

It is the policy of Sussex County Community College that all students and staff shall be able to learn and work in an environment free from harassment and discrimination.

Sussex County Community College encourages anyone who has experienced sexual misconduct, such as sex or gender-based discrimination, harassment, sexual violence, bullying or stalking to report the incidence directly to the Title IX Coordinator or the Title IX Team. At Sussex, you can expect to have incidents of sexual misconduct taken seriously and can be assured that each individual will be treated with dignity and respect. Formally reported incidents are investigated promptly, thoroughly and equitably and resolved through appropriate measures. Formal reporting means that information discovered and provided is shared with investigators, witnesses, and the accused individual, as necessary, with tremendous care.

In addition to the Title IX Coordinator, there are also members of the campus staff known as “Campus Reporting Authorities”. Sussex County Community College seeks to provide a safe and secure environment through the promulgation of a student code that respects and protects the rights and welfare of its members and one which

is conducive to the pursuit of education. The College reserves the right to suspend or dismiss students for failure to conform to its rules and regulations or for conduct detrimental to the best interest of the College community.

The student will in all cases be entitled to a hearing.

**2. Removal from class:** Should a faculty member determine that a student's behavior in a particular class is disruptive such that the normal purpose of the class cannot be fulfilled, then the faculty member may direct that the student leave the class. Should the student refuse the directive to leave, the faculty member may call security to have the student removed from class. At the conclusion of the class, the faculty member will file a written report with the Dean who will schedule a meeting with the student. The student may not return to class until he/she has met with the Dean. Should mediation not be successful the Dean will initiate

a judicial process as appropriate to the circumstances.

## **STUDENT RIGHTS AND RESPONSIBILITIES**

---

The central functions of an academic community are learning, teaching, research and scholarship. By accepting membership in the College, an individual joins a community ideally characterized by free inquiry, intellectual honesty, respect for the dignity of others and openness to constructive change. The rights and responsibilities exercised within the community must be compatible with these qualities.

The College places emphasis upon certain

values which are essential to its nature as an academic community. Among these are freedom from personal force and violence and freedom of movement. Interference with any of these freedoms must be regarded as a serious violation of the personal rights upon which the community is based. Furthermore, the administrative processes and activities of the College cannot be ends in themselves, as such functions are vital to the orderly pursuit of the work of all members of the College.

Therefore, interference with members of the College in performance of their normal duties and activities must be regarded as unacceptable obstruction of the essential processes of the College. Theft or willful destruction of the property of the College or its members must also be considered an unacceptable violation of the rights of individuals or the community as a whole. Physical violence or the threat of same is also considered to be an unacceptable violation of rights.

Moreover, it is the responsibility of all members of the academic community to maintain an atmosphere in which violations of rights are unlikely to occur.

All students accepted at Sussex County Community College acknowledge with their enrollment an obligation to abide by the College regulations and policies as established by the Board of Trustees, by the faculty and administration of the College.

Students are responsible for their own actions and are expected to maintain the highest standard of conduct at all times and in all places. Each must, of course, respect the rights and privileges of all instructors and other students.

The essential and unavoidable condition of the mutual commitment to personal and academic integrity must be respected at all times and in all situations. Implicit

in this mandate is the expectation that all work submitted by the student as his/her own is the result of independent effort. Any attempt to plagiarize or copy another's work, during examinations or in class work, will render the record of the student suspect and may warrant academic penalty or other disciplinary action.

The College reserves the right to dismiss any student whose continued attendance, in the judgment of the administration, is detrimental to the College or its students. Rules and regulations pertaining to student behavior are provided in the Student Code of Conduct which is appended to this statement.

Furthermore, Sussex County Community College respects the rights of students in its firm commitment to a policy of Equal Opportunity and Affirmative Action and will implement this policy to assure that the benefits, services, activities, programs and employment opportunities offered by this institution are available to all persons regardless of race, religion, color, national origin, ancestry, sex, handicap, marital or veteran status and in accordance with state and federal laws: Title VI, Title VII, Civil Rights Act of 1964; Executive order 11246, as amended; Title IX, Educational Amendments of 1972; section 503 and 504, Rehabilitation Act of 1973, as amended; Veterans Assistance Act of 1972 as amended.
