Satisfactory Academic Progress Appeal Form

You are no longer eligible to receive financial assistance at Sussex County Community College because you did not meet the standards of Satisfactory Academic Progress (SAP). Adherence to these standards is required of all financial aid recipients by Federal and State regulations governing academic progress toward the completion of a degree or certificate program.

You may appeal for a reinstatement of financial aid eligibility by completing this form and submitting the items listed below. The circumstances under which a student would be permitted to submit an appeal are: death of a relative, injury or illness of the student or other special circumstances which you must document. Appeals must be submitted in writing to the Financial Aid Office two weeks prior to the start of the semester for which you are requesting reinstatement of aid. **Appeals will not be reviewed without documentation.**
